Editors-in-Chief,

Galen Medical Journal

A research paper entitled "**Novel and bizarre effects following intracerebroventricular injection of immunosuppressant cyclosporine A on inhibitory avoidance learning and memory in mice**" by Hamid Reza Banafshe, Mohsen Mohsenpour and I is forwarded for consideration in the Galen Medical Journal. I acknowledge that the manuscript has been seen and approved by all listed authors and has not been and will not be sent to any other journal for publication while it is under consideration in Galen Medical Journal. Thank you for considering our paper for publication in Galen Medical Journal. We look forward to hearing from you at your earliest convenience.

Best regards,

Abolfazl Ardjmand, Ph.D.
