Role of the funding source

Please disclose any funding sources and their role, if any, in the writing of the manuscript or the decision to submit it for publication. Examples of involvement include: data collection, analysis, or interpretation; trial design; patient recruitment; or any aspect pertinent to the study. Please also comment whether you have been paid to write this article by a pharmaceutical company or other agency. If you are the corresponding author, please indicate if you had full access to all the data in the study and had final responsibility for the decision to submit for publication. The information provided here must match the role of the funding source statement in the manuscript.

Conflicts of interest Please complete the ICMJE conflict of interest form, which is available at http://www.gmj.ir. Please ensure that a conflict of interest statement is included at the end of the manuscript, which matches what is declared on the ICMJE conflict of interest form.
Patient consent (if applicable) - completion of this section is mandatory for Case Reports, Clinical Pictures, an Adverse Drug Reactions. Please sign below to confirm that all necessary consents required by applicable law from any relevant patient, research participant, and/or other individual whose information is included in the article have been obtained in writing. The signed consent form(s) should be retained by the corresponding author and NO sent to GMJ.

I agree with: the plan to submit to GMJ; the contents of the manuscript; to being listed as an author; and to the conflicts of interest statement as summarized. I have had access to all the data in the study (for original research articles) and accept responsibility for its validity.
